The fact that both deviance and crime arouse negative social reactions reminds us that every society needs to ensure that its members generally obey social norms in their daily interaction. Social control The ways in which society prevents and sanctions behavior that violates social norms. refers to ways in which a society tries to prevent and sanction behavior that violates norms.

Deviance, Crime, and Social Control

In sociology, deviance describes an action or behavior that violates social norms, including a formally enacted rule (e.g., crime), as well as informal violations of social norms (e.g., rejecting folkways and mores). Although deviance may have a negative connotation, the violation of social norms is not always a negative action; positive deviation exists in some situations.

Deviance (sociology) - Wikipedia

Deviance is behavior that violates social norms and arouses negative social reactions. Crime is behavior that is considered so serious that it violates formal laws prohibiting such behavior. Social control refers to ways in which a society tries to prevent and sanction behavior that violates norms.
