### The One You Really Want

If you don't know what you really want in life, you're not alone. Thousands, if not millions, of people wander the earth every day without a quest. If you don't want to spend your life wandering aimlessly, you can use the following 7 tips to find out exactly what you want in life.

### 7 Ways to Find Out What You Really Want in Life

If you're sure of the general area you want to work in and it's something people are likely to pay you for, then you should probably take the organic route. But if you don't know what you want to work on, or don't like to take orders, you may want to take the two-job route, if you can stand the risk. Don't decide too soon.
